REGULATIONS – MAKE SURE YOU UNDERSTAND THE RULES

1. Make sure that you check your exam timetable carefully every day during the exam period. It is no use arriving in the afternoon for a morning examination – **you cannot sit the exam at any other date or time. If you are late, your work might not be accepted.** If for any reason you are delayed or sleep in and will be late for an exam, you should ring the school and inform the office. The school telephone number is 01642 484269.
2. The cost of external examination entry to the school is enormous; the 2024 fee is approximately £40.00 per subject. **If you fail to appear for any exam you will be charged the entry fee unless you are ill and obtain a sick note from your doctor,** we then may be able to make a representation for a grade on your behalf. This must be given to Miss Cook Examinations Officer.
3. Students should inform Miss Cook, Examinations Officer, of any change of circumstances immediately e.g. injuries or illness.

4. On exam days you should arrive at the dining hall 15 minutes before the start of your exam. Morning exams start at **9.00am** and afternoon exams at **1.15pm** prompt. Please carefully check your individual timetable.

5. **Most exams will take place in the sports hall.** You will receive an individual timetable which gives information on dates, times and seat number. 7. Students must not communicate with or disturb another candidate after they have entered the exam room. You must not become involved in any unfair or dishonest practice during the exam and if you try to cheat, or break the rules in any way, you could be disqualified from all your subjects.

D AFTER THE EXAMS

1. Results are expected in school on **Thursday 22nd August 2024**. Results can be collected from the Dining Hall from **10.00am** until **12.00pm**. If you are unable to collect your results at this time, you can ask a member of your family only to collect on your behalf, but they will need to bring a signed letter from yourself giving permission to do so. After this time, results will be available when the Academy reopens in September.
2. Any students who wish to query a grade and request a remark should speak to the Head of Department on Thursday 22nd August 2024 or during the first week of school in September, (school begins on Monday 4th September 2024). This process is expensive, and fees must be paid by the candidate's family in advance.
3. Any student who wishes to re-sit should discuss this with their new educational establishment.
4. GCSE certificates and other awards will be available for collection in December by the student or their nominated representative. Examination Board rules state that after one year all certificates that have not been collected will be shredded and no longer available from the school. **Any coursework that a student wishes to keep must be collected from the school by no later than 31st October, after this time it will be shredded.**
